

## WARRANTY POLICY

NAASCO NORTHEAST CORP  
222 GRAND AVE, SHIRLEY NY 11967

Overhauled and repaired units are fully warranted against defective materials and workmanship. No obligation or liability beyond repairing or replacing warranted parts, as necessary, shall be expressed or implied by the warranty. This does not include normal wear items. Our **Warranty Policy** is as follows:

### 1 Accessory Repairs:

- A. **Repairs are warranted for 6 months from the date in service or 100 flight hours, whichever occurs first.**
- B. Parts replaced shall enjoy the same warranty as the parts manufacturer extends.
- C. Warranty applies to only work performed and parts replaced.

### 2 Accessory Overhauls:

- A. **Overhauls are warranted for one (1) year from the date in service or 500 flight hours, whichever occurs first.**
- B. Parts replaced shall enjoy the same warranty as the parts manufacturer extends.
- C. Warranty does not cover removal, installation or shipping costs.
- D. ETR™ Improved Starter Generators are guaranteed for 1000 hours of brush life under normal operating conditions.

### 3 Electrical Contact Repair

- A. A.C. (Alternating Current) electrical contacts repaired by NAASCO are warranted for three (3) years from the date in service or 5,000 flight hours, whichever occurs first.
- B. D.C. (Direct Current) electrical contacts repaired by NAASCO are warranted for one (1) year from the date in service or 1,000 flight hours, whichever occurs first.

### 4 Power Relay Overhauls:

- A. Overhauls are warranted for one (1) year from the date in service or 3,000 flight hours, whichever occurs first.
- B. Parts replaced shall enjoy the same warranty as the parts manufacturer extends.

**The warranty becomes void if the unit shows abuse, alteration, broken seals, improper installation or improper packaging for return to NAASCO.**

**IMPORTANT NOTICE:** WARRANTY FOR UNITS NOT PLACED IN SERVICE EXPIRES THREE (3) YEARS AFTER DATE OF REPAIR OR OVERHAUL UNLESS INSPECTED AND APPROVED BY NAASCO FOR WARRANTY EXTENSION.
